

## Rowing and paddling group

The Shuswap Association of Rowing and Paddling (SARP) has four major sports to offer: kayaking, canoeing, rowing and dragon boating. If you're thinking of buying a kayak, SARP owns quite a few and can arrange for people to try various types before buying. They do allow guest paddlers on the dragon boats for only \$10 each outing. There are ongoing activities during the summer so if you feel like trying a new sport contact [www.shuswappaddleandrow.ca](http://www.shuswappaddleandrow.ca) or email: [sarp@sunwave.net](mailto:sarp@sunwave.net) or phone 250-803-0083.
