

Family fun

Some places are strictly all about having fun and holiday memories....

Go-Karts - Have a family fun day at the Salmon Arm Go-Karts & Mini-Golf. They have high performance go-karts, singles, doubles and family go-karts. There's also a challenging 18-hole 'Wonders of the World' mini-golf course. Check out their website at www.salmonarmgokarts.ca or phone 250-832-3177. They're five miles east of downtown Salmon Arm, right across the highway from Club Shuswap Golf & RV.

Waterslides - The waterslides are on the other end of town just west of the downtown centre. It's easy to find White Water Slide & RV Park, just look for the seven slides. Once you're there you will enjoy the two jacuzzis, 18-hole mini-golf and the arcade. Bring your picnic basket and make a day of it. For info call 250-832-8880.

For double the fun, when travelling to Vernon be sure to check out Atlantis Waterslides on the north side of the city. Phone 250-549-4121 for more info.

Sculpture

In Fletcher Park you will see a metal sculpture of an Olympic torch bearer. This was crafted by local artist Peter Postal.

Experience the personal touch of...
