

Indoor shopping at local malls

The Mall at Piccadilly has over 40 stores. The air conditioning can be quite a relief on some of those hot summer days.

It's a handy place for tourists because there's a free sani-dump, a library, postal services, a 24-hour cash machine and lots of parking for RVs. A farmers' market is held in the parking lot every Tuesday and Friday morning from May to October.

You'll find lots of construction going on. Overwaitea is expanding to become a Save On Foods and will be open sometime in early summer.

The mall has a great variety of stores, including several clothing stores, a health food store, a liquor store, a couple of restaurants, electronics, cell phone services and a CD store.

Just look for the big clock tower at the corner of 10th Avenue and 10th Street S.W.

Centenoka Park Mall, which is just off the Trans Canada just west of the downtown centre has a great mix of interesting boutiques and larger chain stores. You'll find chocolate, summer toys, and a few restaurants.

Shuswap Park Mall in downtown Salmon Arm includes a liquor store, Askew's grocery store and a variety of other shops.
